AGENDA

14.00 – 17.00

Welcome by working group chair Lena Weilandt, Sweden

- Introduction – and check in
- Agenda setting – suggestions for changes in the Agenda,
- Follow up from the meeting in London

Discussions

- Introduction on how we can engage with patient and users on different structural level in our supervisory organizations;
- In depth discussion on how to interact with patient and user organizations;
- Discussion on how we in a structured way can continue to share experiences and knowledge between organizations.

16.30 – 17.00 Commitments and Agenda setting for the next working group meeting in the Netherlands-The Hague– planned for 11 April 2018. Closing of the working group by working group chair Lena Weilandt.

Preparation

Bring an update on your organizations work and how you work with patient and user organizations to gather information on patient/user experiences and your lessons learned in this area. What are the strengths and weaknesses in this cooperation?

Please let me know if you want to participate the working group meeting and if you want to add any topic to the agenda.
